CERTIFICATE

This is to certify that the company

Joma-Polytec GmbH

Höfelstraße 17-19
72411 Bodelshausen
Germany

with the organizational units/sites as listed in the annex

has implemented and maintains a **Quality Management System**.

Scope:
Production and assembly of non-implantable, non-active plastic components using injection molding for non-active non-implantable devices for administration, channelling and removal of substances, including devices for dialysis.
Production and assembly of electric drives for medical pumps as components for active non-implantable devices for extra-corporal circulation, administration or removal of substances and haemapheresis.

Through an audit, documented in a report, performed by DQS Medizinprodukte GmbH, it was verified that the management system fulfills the requirements of the following standard:

DIN EN ISO 13485:2021
EN ISO 13485:2016 / A11:2021
ISO 13485:2016
